

**Obstetrics and Gynecology Locum
Maternity and Wellness on Victoria
Regina, Saskatchewan**

Posting Date: May 11, 2023

Remuneration: Fee-for-service

Benefits: Responsibility of the physician

Language of Work: English

Position Profile:

The Regina Department of Obstetrics and Gynecology requires locum services for 6 to 9 months from July 1, 2023. The successful candidate will join the Maternity and Wellness Clinic in Regina, Saskatchewan. The clinic is a very collegial group practice of four Obstetricians and Gynecologists who assist each other in the operating room, share rounding duties on all inpatients, and provide vacation coverage. The clinic is supported by four excellent and reliable office staff. Please see the clinic website for Information: www.mwvreginaobgyn.com

The successful candidate will cover on-call duties, operating room time and clinic duties that include the Labour and Birth Unit as well as Emergency Department coverage.

Specialists maintain a fee-for-service, independent practice within Regina. Call coverage is shared with a very patient-centred and cooperative call group within the specialty, and an on-call premium is provided for on-call availability.

Obstetrical & Gynecological services are based at the Regina General Hospital, with 36 obstetrical beds and 11 gynecological beds dedicated to the service. There are about 4,000 deliveries each year and a corresponding volume of gynecology. Specialists are supported by a complete range of neonatal, pediatric medical and surgical sub-specialists. In these superb facilities, the region will continue to provide the complete continuum of care and enhance care for pregnant women and newborns.

The Saskatchewan Health Authority (SHA) is dedicated to learning and is a partner in the growing educational needs of medical students and residents from the College of Medicine, University of Saskatchewan. As this is an academic site affiliated with the University of Saskatchewan, the position also involves teaching medical students and residents.

The Community:

Regina is the capital of Saskatchewan, Canada and is a beautiful oasis on the prairies with a steadily growing population exceeding 230,000. According to MacLean's Best Communities in Canada 2019, Regina came in second in the Prairies and 74th across the country, scoring well in population growth, commute, amenities and culture. Regina was Canada's 33rd fastest-growing community in 2019, adding 12.7 per cent more residents over the past five years. Regina is known for its generous, friendly people and rich community pride, fueled by the "I Love Regina" campaign. This welcoming prairie city has an abundance of parks, sports and recreational facilities, bicycle pathways, family attractions and an exceptional quality of life. There are many attractions and events that take place all year in Regina for residents and tourists alike (www.regina.ca).

The Saskatchewan Health Authority:

The SHA is the largest organization in Saskatchewan, employing over 44,000 employees and physicians responsible

for the delivery of high quality and timely healthcare for the entire province. We are driven by the commitment to improve frontline patient care for Saskatchewan people, and we are working together to better coordinate health services across the province to ensure that patients receive high quality, timely healthcare, wherever they live in Saskatchewan.

The SHA supports a shared commitment to a Representative Workforce that is respectful and inclusive of all staff and clients. We welcome applications from those who will contribute to the diversity of our community.

Qualifications:

Successful candidates will hold certification from the Royal College of Physicians and Surgeons of Canada (RCPSC) in Obstetrics and Gynecology and be eligible for regular licensure from the College of Physicians and Surgeons of Saskatchewan (CPSS) to practice in Saskatchewan.

This individual should be a team player, be able to interact effectively with patients, colleagues, staff and management, and function well in a high-volume environment with a commitment to the provision of high-quality patient and family-centered care.

In accordance with immigration requirements, preference will be given to Canadian citizens and permanent residents of Canada.
