

## **OBSTETRICIAN / GYNECOLOGIST**

Prairie Mountain Health is seeking candidates for an Obstetrician/Gynecologist to be based out of the Brandon Regional Health Centre.

The successful candidates must hold or be eligible for Fellowship with the Royal College of Physicians and Surgeons of Canada, must hold or be eligible for licensure with the College of Physicians and Surgeons of Manitoba, and must provide proof of acceptable malpractice coverage.

The Brandon Regional Health Centre has 309 beds and is the primary referral centre that serves a catchment area of approximately 200,000 residents and performs approximately 1700 deliveries per year:

- Daily OR availability for the Department of Obstetrics & Gynecology
- 12 single labor and delivery rooms
- 8 beds for antepartum, postop C-section, and postpartum recovery
- 24 hour epidural capability with on-site anesthesiology 24/7
- Lactation consultant is on site
- Level 2B NICU with 11 beds
- All maternity and NICU staff are trained in NRP
- Pre-assessment triage area has 4 beds for non-stress tests; regular assessments with pregnancy concerns over 22 weeks also managed here
- Full service diagnostics on site
- A variety of specialist services including 24/7 Pediatric coverage
- 1 in 6 on call
- Affiliation with the University of Manitoba offers teaching opportunities if desired
- Midwives and Family Physicians also perform deliveries in an integrated service delivery model

Successful Applicants must be able to work within an interdisciplinary team and function well in a high volume environment with a commitment to provide high quality patient and family centered care.

Subspecialty training or experience in minimally invasive surgery is an asset. You will have the opportunity to join one of the various clinics located throughout the city.

Remuneration is derived from fee-for-service billing as per the current Manitoba physician's manual negotiated in the Master Agreement between the Minister of Health and Doctors Manitoba. Income will be dependent on the volume of services provided. On-call stipends are paid in addition to the FFS.

#### ALL THE BENEFITS OF CITY LIVING

Large enough to have all the amenities of city life but small enough to go home for lunch, Brandon is a thriving city with a population of over 48,000. It is large enough to supply all the retail, medical, educational and cultural needs on a daily basis and small enough to avoid high costs of living and long commutes to the workplace. Brandon University has an excellent reputation in music, general arts and science programs. Assiniboine community college provides a wide range and expanding list of education options. Scenic Riding Mountain National Park is one hour north of the city and the International Peace Gardens are situated on the Manitoba/North Dakota border just over an hour to the south of the city.

PLEASE SUBMIT A DETAILED CV ALONG WITH NAMES OF THREE REFERENCES
