**LOCUM AND JOB OPPORTUNITY – OBGYN SPECIALIST PHYSICIAN  
GRANDE PRAIRIE REGIONAL HOSPITAL, GRANDE PRAIRIE, AB**

**Grande Prairie Regional Hospital virtual Tour - [Meet Your New Grande Prairie Regional Hospital - YouTube](#)**

The Grande Prairie Regional Hospital is seeking an OBGYN Gynecological Specialist physician for up to a 3 or 4 locum period and/or for a Permanent position.

**This is a perfect opportunity to “Try before you Buy”!**

The position(s) include hospital privileges, dedicated O.R. time and sharing of on-call. The locum opportunity may include a series of shorter-term locums with flexible dates and an opportunity to consider a permanent position.

The Grande Prairie Regional Hospital is a 250 bed acute care facility with a busy emergency department, ICU, Level II NICU & specialty services in OBGYN, orthopedic surgery, general surgery, ophthalmology, ENT, urology, palliative care, pediatrics, and psychiatry as well as radiation therapy services which became available with the opening of the new Hospital in December 2022.

**Specific to Obstetrics**, there are:

1,700+ newborns, approximately 25.4% C-sections and 10,000 discharges annually.

The City of Grande Prairie is an economically strong and culturally diverse large urban centre, with a population of 76,740 and catchment area population of about 250,000+.

Grande Prairie provides a wide choice of recreation, education, shopping and entertainment opportunities. Grande Prairie is a full service urban centre with a Multiplex Recreational Centre, a Community College, numerous cultural events, alpine & cross country skiing, mountain biking, camping and more.

The Grande Prairie Regional Airport Grande Prairie Regional Airport connects the region to the Calgary and Edmonton international airports with daily scheduled flights provided by Air Canada and WestJet [www.grandeprairieairport.com](http://www.grandeprairieairport.com)
