

YOUR PRACTISE YOUR CHOICE

We are seeking Obstetricians and Gynecologists

Seize the opportunity to redefine comprehensive women's healthcare in Sault Ste. Marie, Ontario Canada. We are pioneering an integrated care model, fostering collaboration with midwives, nurse practitioners, and general practitioners. This position encompasses prenatal and gynecological clinics, dedicated operating room time, and essential on-call services.

Join us in shaping the future of women's health.

Opportunities:

Join an Obstetrics and Gynecology program with a cutting-edge, integrated care model.

Cater to a community with nearly 900 births yearly, backed by a Level 2C, 10-bed neonatal intensive care unit with a cohesive, inter-professional team anchored within the hospital.

Engage in academia with an affiliation to NOSM University and mentor medical students and residents.

Embrace research opportunities, supported by the Sault Ste. Marie Academic Medical Association.

You bring:

Candidates should have fellowship credentials from the Royal College of Physicians and Surgeons of Canada or be exam-eligible.

Eligibility for an independent practise license with the College of Physicians and Surgeons of Ontario is a requisite.

We offer:

Low cost of living, excellent salary, *and so much more!*

- Avail yourself of a lucrative, market-competitive package with stipends for on-call services within the hospital setting.
- Remuneration is on a fee-for-service basis, complemented by a Hospital On-Call Coverage stipend
- The Ministry of Health's Community Assessment Visit Program will cover travel and accommodation expenses for candidates and their spouses interested in exploring opportunities in Sault Ste. Marie.
- The Sault Ste. Marie Physician Recruitment and Retention Program provides a relocation allowance in addition to a generous Northern and Rural Recruitment & Retention Initiative of over \$83,000 over four years.
- Join the Northern Specialist Alternate Payment Plan, a highly enticing opportunity for those interested in practicing in the North.

Where you will live...

Perched on the St. Mary's River, Sault Ste. Marie seamlessly blends urban amenities with nature's beauty, bridging Lake Huron and Lake Superior at the Canada-United States border. This dynamic city offers rich cultural experiences, year-round outdoor activities, and an esteemed school system. Whether indulging in arts or embarking on wilderness adventures, there's something for everyone. Plus, with connectivity ensured by multiple Canadian and American airlines, Sault Ste. Marie stands as a convenient, vibrant destination.

Where you will practise...

Sault Area Hospital (SAH), a state-of-the-art, up-to-300-bed facility that opened in 2011, serves the city and the District of Algoma, supporting a catchment population of approximately 115,000. SAH offers a comprehensive range of healthcare services, including the Algoma District Cancer Program and a Regional Renal Program, along with full diagnostic support featuring a 1.5 Tesla MRI and two CT Scanners.
