

Brampton Civic Hospital is seeking general obstetricians and gynaecologists.

We are seeking General Obstetricians and Gynaecologists at our Brampton Civic Hospital site. The job includes very busy obstetric and gynaecology services. The candidate is expected to provide antenatal services in the community and share of the on-call obstetrics and gynaecology schedules at the hospital.

Research and academic experience are valuable assets. Laparoscopic and or urogynaecology fellowship, and or experience with pelvic surgery and advanced laparoscopic surgical procedures are advantageous.

Qualifications

The candidate must have a Certificate of Registration of independent practice from the Royal College of Physicians & Surgeons of Ontario and holds Fellowship in Obstetrics and Gynaecology from the Royal College of Physicians & Surgeons of Canada. Expected completion of fellowship of minimal invasive gynaecology will be preferential. The position requires excellent communication skills in English. Additional languages are considered an asset as we serve a highly diverse population. The candidate is Expected to participate actively in academic teaching, education of students and residents.

About the Program

Brampton Civic Hospital obstetrics and gynaecology department serves a large community with more than 5000 deliveries per year.

About Osler

William Osler Health System (Osler) includes Brampton Civic Hospital, Etobicoke General Hospital, and Peel Memorial Centre for Integrated Health & Wellness. Serving 1.3 million residents of Brampton, Etobicoke and surrounding communities within the Central West region and nationally recognized for its commitment to patient safety. Osler is Accredited with Exemplary Standing, the highest rating a Canadian hospital can receive.

Osler is an integral clinical partner in the development of Ontario's New Medical School, in partnership with Toronto Metropolitan University (TMU) and as part of its transition to an Academic Health Centre. In addition, we are an affiliated Academic Community Teaching Site for the McMaster University Michael G. DeGroote School of Medicine; Family Medicine Program, and there is ample opportunity to participate in clinical education with medical students and residents.
